

# Early Careerist Workshop

Career Management and Search Strategies for Young Adults

## Do you know a student or recent graduate who is ready to launch their career?

As a valued friend of Verity International, we are inviting the early careerists in your life to attend a complimentary workshop designed to help them prepare to conduct a proactive search and manage their careers.

Participants will leave this workshop with the knowledge and tools they need to:

- Assess and identify skills and strengths
- Understand how to define and develop a professional brand
- Clarify targets and set goals
- Create an effective resume and business correspondence
- Access opportunities through networking and the hidden job market
- Prepare for interviews and answer difficult questions
- Understand and manage the negotiation process

*We look forward to seeing you there!*
