HELPING TO DEVELOP TOMORROW'S LEADERS

RÉSUMÉS • COVER LETTERS • NETWORKING • INTERVIEWING • NEGOTIATING

Do you have College or University students in your family who are getting ready to find a summer or permanent job?

As a valued friend of Verity, we are inviting students in your family to attend a free workshop, designed to help them prepare for their job search.

We will cover commonly asked questions such as:

- ✓ How do I write a résumé when I have no work experience?
- ✓ How can I get ahead in tough economic times?
- ✓ How should I prepare to meet with the recruiters that are visiting my campus?
- ✓ As a student, how can I build my network?
- ✓ How should I go about negotiating my salary?
